

Made in the USA

Environmentally Friendly

Welcome to Appleridge Stone. We are very glad you stopped by and hope you will take the time to look around and see why Appleridge Stone is truly "Like Nature's Own."

We look forward to helping you!

Our Quality

All of our stone is manufactured to the highest standards of quality and durability.

We supply an affordable, durable, versatile, manufactured stone veneer product well suited for exterior as well as interior applications.

Our stone is lightweight and easy to install on a wide variety of interior and exterior applications and it requires no footing or support ledges.

We choose from Nature's products to provide strength, moisture resistance, freeze/thaw protection and the best possible natural appearance. That means that our stone products are not only beautiful, but durable as well.

Our stone is perfect for a wide range of projects – both inside and outside.

The possibilities are seemingly endless. From foundations, wall accents, and stone fireplaces, to impressive entrance ways and decorative landscaping – Appleridge Stone can enhance, beautify, and add value to your home.

Give us a call today to find out more about Appleridge Stone products and how we can help you with your next project.

We will be glad to answer any questions you may have and help you in any way.

Our Purpose

- To offer manufactured stone products to the general public through a network of contractors, fireplace shops, builders supply, and retail dealer locations.
- To establish a network of stocking Distributors for the purpose of providing convenient local product access to contractors and dealers.
- To provide technical and marketing support to all levels of our system.
